nick, based on k's input, he thought we may better word page 4 as indicated even tho what you are saying is correct. give me a call if you have any questions. your presentation looks great! that powerpt is really something isn't it?

i have a few benefits you may want to add to your presentation, or you may just want to speak to them: a series of mailings will give quick chek more exposure & continuously bring people into their sotes. this is a big plus over just doing one mailing. good luck!
